

Pomì

Consorzio Casalasco del Pomodoro.

POMI

ITALIAN TOMATOES

Pomì was founded in 1982 in the province of Parma and immediately became an icon thanks to its innovative packaging: the carton brick that makes it easy to recognize the tomato sauce in any country to which it is exported.

Today, Pomì is synonym of: a controlled supply chain, Italian quality, tomato traceability, sustainability of the production and transformation processes.

Pomì's tomatoes is 100% Italian cultivated respecting the environment and the health of our consumers.

POMI

RANGE OF PRODUCTS

Organic Tomatoes

Pomì has created an ORGANIC line for the consumer that seeks an even healthier and more balanced diet.

Strained Tomatoes

Pomì tomato sauces are obtained only from Italian tomatoes, healthy, fresh and ripe. They are processed within a few hours after harvesting to keep the freshness and consistency unaltered.

Special Products

Pomì enriches the product line with ready to use recipe sauces.

Food Services

A line of products dedicated to the Ho.Re.Ca. professionals in different formats and packaging solutions.
